# Hingham High School

17 Union Street  
Hingham, Massachusetts  
02043

Our respected principal, one of the truly "great men," announced his retirement this year. The Hingham School Department has been extremely fortunate to have had Mr. MacLeod as an employee for the past thirty-five years. He began as a junior high math teacher and continued as an assistant principal until he finally assumed the role of high school principal. The rest, so they say, is history. Since 1984, Mr. MacLeod has been a wonderful leader of Hingham High School, demonstrating his kindness and dedication time and time again. His integrity and patience have been an inspiration to faculty and students alike. And while Hingham High School will be saying good-bye to both a principal and a friend, we must appreciate the profound impact he has had both on the high school and our lives. Thank you, Mr. MacLeod, for your footprints.

Lives of great men all remind us  
We can make our lives sublime;  
And, departing, leave behind us  
Footprints on the sands of time...

-Longfellow

Dear Class of 2000,

Well, it's finally over. The four years we've spent together are coming to a close and all of us are about to "Cast Off" into the future. Yes, it's mushy and sentimental, but it's true. During these four (really, really LONG) years of high school, we've learned, eaten, and laughed together, and now we've finally grown up enough to move out and move on. We hope that this book captures enough of the memories we've made at Hingham High. Good luck everyone.

## THE CHILDREN OF THE EIGHTIES

-Author Unknown-

We are the Children of the Eighties. We are not the first "lost generation" nor today's lost generation; in fact, we think we know just where we stand - or are discovering it as we go. We are the ones who played with Legos when they were just building blocks and gave Malibu Barbie crew cuts with safety scissors that never really cut. We collected Garbage Pail Kids, Cabbage Patch Kids, My Little Ponies, Hot Wheels, and He-Man action figures. I thought She-Ra looked just a little bit like I would when I was a woman. Big Wheels and bicycles with streamers were the way to go, and sidewalk chalk was all you needed to build a city.

Imagination was the key. It made the Ewok Tree House big enough for you to be Luke and the kitchen table and an old sheet dark enough to be a tent in the forest. Your world was the backyard and it was all you needed. With your pink portable tape player, Debbie Gibson sang back up to you and everyone wanted a skirt like the Material Girl and a glove like Michael Jackson's.

Today, we are the ones who sing along with Bruce Springsteen and The Bangles perfectly and have no idea why. We recite lines with the Ghostbusters and still look to The Goonies for a great adventure. We flip through TV stations and stop at The A-Team and Knight Rider and Fame; we laugh with The Cosby Show and Family Ties, Punky Brewster and "Wha'sho talkin' bout Willis?". We hold strong affections for The Muppets and The Gummy Bears and why did they take The Smurfs off the air? After school specials were only about cigarettes and stepfamilies, the Pokka Dot Door was nothing like Barney, and aren't the Power Rangers just Voltron reincarnated?

We are the ones who still read Nancy Drew and the Hardy Boys, the Bobbsey Twins, Beverly Cleary and Judy Blume, Richard Scarry and the Electric Company. Friendship bracelets were ties you could not break and friendship pins went on shoes - preferably high top Velcro Reeboks and pegged jeans were in, as were Units belts and layered socks and jean jackets and jams and charm necklaces and side pony tails and just tails. Rave was a girl's best friend; braces with colored rubber bands made you cool. The backdoor was always open and Mom served only red Kool-Aid to the neighborhood kids - who never drank New Coke. Entertainment was cheap and lasted for hours. All you needed to be a princess was high heels and an apron; the Sit'n'Spin always made you dizzy but never made you stop; Pogo Balls were dangerous weapons and Chinese Jump Ropes never failed to trip someone. In your Underoos you were Wonder Woman or Spider Man or R2D2 and in your tree house you were King.

In the Eighties, nothing was wrong. Did you know the president was shot? Star Wars was not only a movie. Did you ever play in a bomb shelter? Did you see the Challenger explode or feed the homeless man? We forgot Vietnam and watched Tiananman Square on CNN and bought pieces of the Berlin Wall at the store. AIDS was not the number one killer in the United States. We didn't start the fire, Billy Joel. In the Eighties, we redefined the American Dream, and those years defined us. We are the generation in between strife and facing strife and not turning our backs. The Eighties may have made us idealistic, but it's that idealism that will push us and be passed on to our children - the first children of the twenty-first century.

NEVER FORGET: WE ARE THE CHILDREN OF THE EIGHTIES.

# A DAY IN THE LIFE

6:45 a.m. - COFFEE!!

7:03 a.m.-  
Missed the  
last spot in  
the close  
lot!

7:10 a.m. - Always excited for another day of school...

7:15 a.m. - As seniors, we still don't know why it's called "homework".

7:20 a.m. - The second bell rings; it's time to run to class!

7:20 - 10:53 a.m. - Working hard or hardly working? Our mornings are filled with classwork (and the occasional nap...)

10:52 a.m. - Finally,  
time for lunch!

1:53 p.m. - Let us out!!

2:00 p.m. - We're FREE!!

## JUNIOR PROM

The junior prom was a huge success. Everyone looked great, and, more importantly, everyone had a great time. The decorating committee (with the help of Mr. Swett's daughters) worked hard to transform the high school cafeteria into a veritable party atmosphere, with the help of Mardi Gras beads of course. The theme was the New Orleans festival: even the bathrooms were decorated and

looked amazing. Here, Kevin Foley and Mike MacMaster certainly look ready and willing to hit the dance floor. We all definitely spent the night dancing~ it was hard to tear ourselves away at the end of the evening! With the music and the decorations, a good time was guaranteed. Thanks to everyone who helped to make the junior prom SO successful, especially our class advisors, Mrs. Boyer and Mr. Swett.

Everyone looks absolutely stunning as they pose before the dance.

Todd and Megg break from dancing

## HOMECOMING

Homecoming Day 1999 was all about the seniors. The senior class manned the concession stand all day and the senior float rocked the parade. The seniors' jeeps led the float and the homecoming court looked great in their convertibles. Members included Abby Bird, Tiffany Lamier, Elizabeth Spatola, Kerrie Lenhart, Jamarr Humphrey, Justin Lynch, Nick McCready, and Nick Rocco.

Jamie Diorio and Jill Rowley were crowned King and Queen at half-time. Unfortunately, the sports teams suffered losses in

the morning, except for the boys' soccer team. The football game against Hanover was well-attended as was the dance, organized by the senior class and the cheerleaders. Turn the page to see the seniors dance the night away...

Five seniors' Wranglers led the winning float in the parade. The Rainbow included Ryan Sullivan (red),

The senior float was once again the product of class members' hard work. It truthfully proclaimed "Seniors Rock!"

Kevin Bliss (yellow), Zara Mitchell (black), Rich Hamaty (light blue), and Mike Hines (blue).

# HOMECOMING

The Senior Class turned out in all their sparkling glory for their last Homecoming dance. Whether we were decked out in sunglasses and boas or ties and baseball hats, we all had a blast. Although the construction forced everyone into the cafeteria this year, the night was definitely memorable for everyone. We danced all night to the DJ's great music, including our class song, Van Halen's "Right Now". Neither crowds nor heat could cramp our style as the class united for the first "last" of the year.

Identical Kerrie and Hilleary (above) pose before the dance and Sara and Brady smile on their way in.

Senior girls bond during the dance

Seniors were all smiles. Well, almost...

Eli and Rose are ready for the dancing (above)... and nice shades Becker! (below)

Lauren and Kevin just need to be directed to the dance floor.

# HALLOWEEN

Everyone really got into Halloween this year at Hingham High School. We had our range from heavenly beauties on earth (the Senior Goddesses!) to cross-dressers, and those whose costumes no one could figure out. Trick or Treat!

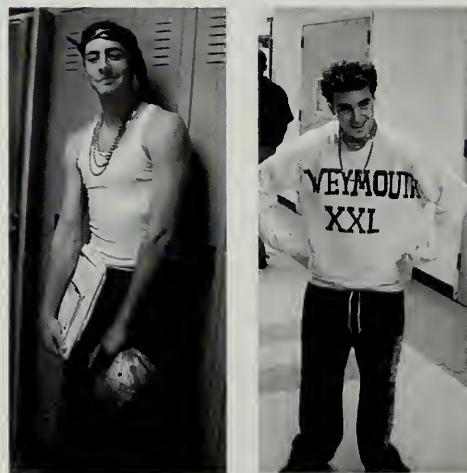

The "Senior Goddesses were one of the winners of the costume contest. With glitter, togas, crowns and sashes, how could we NOT look gorgeous! It was by far the prettiest costume of the day. What can we say- we fit the role all too well!

Megg F. and Katie (above) look celestial, while Kevin, Meg S. and Nick (below) show their Halloween spirit.

Sean, Bill, and Steve decided they wanted the long hair look- maybe they should leave that to the girls!

Jim and Charlie- a little out of character.

Matt and Jill as our favorite sailors.

## POWDER PUFF

The 1999 Girls Powder Puff Game was an enormous success. The "Senior Goddesses" played a brilliant game and destroyed the juniors with a decisive victory of 32-0. The seniors were led by their ferocious captains: Andie Slomkowski, Heather Mendes, and Stacy Ward. Highlights of the game included Heather's numerous touchdowns, Ana's surprisingly tenacious tackle, Hutch's amazing interception and subsequent touchdown, and Andie's several NFL caliber tackles. The senior team was

navigated by quarterback Lauren Seroll who did an excellent job dictating the plays. Special thanks go out to Justin, Matt, Kevin, JJ, and Mike for putting in their time, effort and patience in training the girls to be tough. Thanks

for leading us to victory. The seniors proved to carry on the tradition of victory by shutting out the juniors in an aggressive, athletic showdown. Good job, girls!

# CONSTRUCTION

The construction has been a big and messy part of our lives this year at Hingham High School. Unfortunately, it should be done just in time for our departure! But despite dodging ladders leading to holes in the ceiling, major traffic in the halls between classes, the occasional thumps and buzzing sounds, and walking from the oh-so-far parking lot- it hasn't been that bad. We have been able to reap the benefits of the large new library, the new classrooms, the new locker rooms, the new auditorium and a refurbished gymnasium. Oh, maybe just one more complaint- we're getting a little bit tired of fire-drills, especially the ones on rainy days!

# CROSS COUNTRY

Coming in freshman year, the chances for victory looked slim for the Boys Cross Country team. But after four years of dedication, the boys have regained the power and momentum they once had. The boys tri-captains, James Diorio, Tyler Nielsen and Micah Weisberg have watched this team grow from a mere five members, to an enthusiastic and talented twenty. The girls team came from a strong beginning and has not only sustained but improved its reputation. The co-captains Heather Mendes and Andie Slomkowski ended their last season strong and with no regrets. The girl's team is very close and supportive. But what makes the Boys and Girls Cross Country teams unique is the support that they give each other. As a co-ed team, we will always remember...milk and cookies day, soccer game, A + B forms, shake and bakes, Springs, Turkey Hill...twice! 37 Maak, Track workouts, 5k road race, World's End, Quad Pod, Aerostar w/ toolbox and dental floss, Friday's, Sleepover, (True colors) and Wild Marmots. Thank you for the memories! "Pain is temporary, Pride is forever!"

The Girls' Soccer team had another fun season in 1999. Under third year Coach Guy Enoch, the team was led by captains Kerrie Lenhart, Jill Rowley and Elizabeth Spatola and seniors Andrea Hutcheson and Casey Fitzmaurice. Team bonding was a big focus again with spaghetti dinners, personal shields, dance parties, and skeletons in the closet. Although we did not have a winning record, we improved individually and as a team. Our new "four-flat" defense formation was frustrating at first, but by our final game we had mastered this difficult change with significant help from underclassmen. We put up a good fight against the formidable Duxbury and Plymouth North. Thanks to our biggest fan Stuart, we never lacked motivation or determination.

## BOYS' SOCCER

The boys soccer team won their second consecutive Patriot League Title with a record of 12-4-2. The team won their biggest game against Plymouth North which sparked a seven game win streak. The team was led by the captains Todd Butterworth, Rich Finn, and Evan Lindquist. Leading the attack were Keith Conway, Chris Marshall, Tom Griffin and Evan Lindquist. The skilled players of the midfield, Mike Count, Rich Finn, and Nick Accomando helped keep the ball in Hingham's possession. The defense was anchored by Mark

Buntrock, Todd Butterworth, and Adam Vickers who protected Jeff Born in net. The team All-Stars were Jeff Born, Todd Butterworth, Mike Count, and Evan Lindquist with junior Stewart Dykes. Evan Lindquist and Jeff Born were also selected as Eastern Massachusetts All-Stars. Although they had a disappointing end to the season, their first year with coach Ken Carlin went extremely well. Memorable quotes were:

"I'm too young to die!" -Bunty,  
"I'm gonna go play football!" -Jeff Born, "That one's for you, Farrell!" -Nick A.

# FIELD HOCKEY

The Hingham High School Field Hockey Team had a great season, wrapping it up with an 8-5-6 record. The team was led by tri-captains Kim Bonner, Michelle Coughlin, and Sara Durgin, as well as seniors Michelle Clemente, Sara Connearney, Eli Harvey, Hilleary Smith, and Stacy Ward. The team would like to thank their coaches, "Moe" Bonner, Heather Williams, and especially Ms. Gordon, for their hard work and support this season, and their manager, Greg Carnick. # FOOTBALL

The Hingham High Football Team had an action-packed season in 1999. It was obvious that the team was better than their 1-9 record indicated, as the team was in every game. The team was led by seniors: Chris Bleidorn, Mike Costello, Jim Fitzpatrick, Kevin Gaughen, Jamarr Humphrey, Tim Jones, Eric Kahn, Brian Kiely, Kevin McGowan, Tom Meehan, Brian Norton, JJ O'Keefe, and Nick Rocco. This year's captains were Matt Fallon, Justin Lynch, and Nick Shore. At the end-of-the-year banquet, team awards were given to Defensive

MVPs (Chris Bleidorn and Nick Rocco), Offensive MVPs (Nick Shore and Kevin McGowan), Coach's Award (Justin Lynch), and Team MVP (Matt Fallon). The team would like to thank Head Coach Paul Killinger, Offensive Coordinator Gordon Smith, Defensive Coordinator Ralph "Step 'n Rip" Goselin, and Line Coaches Brian Chamberlain and Jim Langeill.

We would like to thank everyone who made this season possible. It was a fun year, as we were a close team and will take with us a lot of memories. Good luck to next year's team!

# CHEERLEADING

The Hingham High Football Cheerleaders were an important part of rallying school and team spirit at the games this year. The squad was much larger this year than in past years, gaining new members from the freshman class. Led by captains Tiffany Lamier, Allison

Spahn and Andrea Wright along with Coach Susan Smith, the girls looked great together. Another accomplishment was working with the senior class to put on this year's homecoming dance, a huge success, as usual. The girls were thrilled with their great 1999 season.

# WINTER TRACK

**Girls:** We had an awesome winter track season this year, finishing with a record of 7-1-1. The girls were undefeated until we met our match with Scituate at the end of the season, thanks to our coaches Mr. Hermann and Mr. Manganello as well as our captains, Lauren Curtis, Heather Mendes, and

Jeff Born

Andie Slomkowski. Our meet against East Bridgewater was a huge team effort and we were satisfied to tie them. Psych-buddies were fun as usual, and deciding what to wear on meet days always became a major project and debate. We'll miss BU, Store 24, McDonald's, and nasty Thai food experiments.

**Boys:** Another great season for boys' winter track. Our coach Mr. Hermann helped lead us to success at Boston University and the Reggie Lewis Center. We'll never forget Double Hills... backward. # WRESTLING

Though they graduated two State Champions from last year, the Wrestling Team had, in Coach Barges' words, "one of their best seasons." Seniors, Brian Norton, Nick Rocco, and Chad Saltmarsh all made Sectional Finals, and both Brian Norton and Nick Rocco were Sectional Champions. The four captains, Chris Bleidorn, Brian Norton, Nick Rocco, and Chad Saltmarsh, all had excellent seasons and led the team to win both the Pilgrim Conference and Patriot League

titles. The team was undefeated in both leagues, and was also one of the South Sectional Finalists. The final record for the team was 17 - 3. Some of their biggest wins were against Whitman-Hanson and Marshfield in the Pilgrim Conference League, and Rockland and Scituate in the Patriot League. The Wrestling Team was ranked in the top 10 of the

state and never lost to any lower ranked teams. Congratulations to all the seniors for a great last season and good luck to next year's team!

# GYMNASICS

This year's gymnastics team has come a long way from previous years. After placing second in our league last year, our team is on its way to remaining in the top few teams in the league. Our team has erased a weak record and has advanced to becoming a challenging opponent to other teams in the league. The team was led by captains Laura Daubenspeck (senior) and Vanessa Baris (junior). The spirit and dedication of the team has contributed to the success of every member and to many great seasons. Among the great successes this year were the trimeets. Hingham beat Randolph, Cohassett, and Norwell

trimeets. Scituate, Hanover and Carver were among the other gymnastic teams that Hingham beat out. Because of the team's great all-around scores, they qualified for the state tournament as well. Gymnastic's high scorers include captains Laura Daubenspeck, and Vanessa Baris as well as Meg Peterson, Bronwyn Riggs, and Liz Shorey. The team would like to thank coaches Patty and Melanie for all of their hard work and time dedicated to the team.

# GIRLS' BASKETBALL

The Harborwomen had a fantastic 98-99 season under the direction of coach Skip Mortimer. The team beat both of their long-time rivals, Duxbury and Rockland. Hingham went 16 and 4, becoming the Patriot League champions. In the 99-00 season, the team has a new coach, Dave Hickey and a young yet talented team. Captain Brady Garrity lead the team along with juniors Melanie Dobson, Lauren Sullivan and Amy Willis. Underclassmen include "Captain" Bridget Driscoll, Meaghan Marshall, Hillary Gibson, Stacey Alleva, Laura Glassanos, Deirdre King, and Lauren Murphy. We will never forget our trips to CVS and our Coolatas. The pre-season this year was NO JOKE! Big Greg and Big Tom kept us on track. We had so much fun this year at sleepovers, spaghetti dinners, car rides to Randolph and watching Scream 3. Who knew that Hill was scared to death of scary movies? We will always remember the

amazing 3 point contest when Lauren was shooting. Stations kept us in shape but made us crazy. Remember: going to get team shoes and sitting on Santa's lap, and Stars breakfasts. Who scores 7 points in one half (besides Hingham GALS teams)?

Luckily we came back and beat Marshfield at home by 25 points. We definitely held our own against Rockland (too bad we couldn't hit a bunny!). We crushed the "Beast from the East" and beat E.B. The All-Star game was a blast! Brady, Hill, Bridge and Meg represented Hingham. We will never forget our popsicle-headache talks for entire practices. Only our team sings before every game. Remember practices discussing literature, learning more than we do in school. What other team would wear sneakers to Snowball or dress up like cowgirls for the pep rally? Thanks to our parents, fans, and our awesome coaches; Dave and Mike Grable. We had a great and memorable season.

## BOYS' BASKETBALL

The Hingham High School's Boys' Basketball Team had another successful year under coach Dan Clune. Thanks to his excellent coaching, the team had a wonderful time on the court. The Captains, Jim Battista and Nick Shore, helped make this team great, as did the strong senior players, including Jim Christino, Matt Fallon, Jamarr Humphrey, Rodney Johnson, Brian Miller, Ryan Sullivan, Greg Hope,

Delali Tsaku, and Ted Flynn. Key wins included the home wins against Rockland & Duxbury, and there was a great game, including overtime, which culminated in a victory over Randolph. Congratulations on a great season.

# HOCKEY

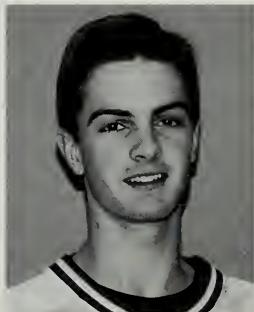

The 1999-2000 Hingham High Hockey Team is looking to improve on last year's record of 13-7-4. This year's team is predominately underclassmen and has only four seniors: Kevin Hammond (captain), Kevin McGowan (captain), Brendan Donlan, and Rich Vesey. Two years ago, the team went from Atlantic Coast League Division II to Division I independent. The forwards will be lead by last year's leading scorer Anthony Forgione, Sophomore Kevin Olson, and Kevin Hammond. The defense will be lead by Junior Captain Mike Cavanaugh and Brendan Donlan. The core of the team is the goalie Kevin McGowan. Kevin is a three-year starter and keeps the team in a lot of close games. Thanks to all of our coaches for their hard work! Good luck to next year's team!

## SKI TEAM

Hingham High School Ski Teams, led by senior captains Mike Costello and Kerrie Lenhart. In 1998, both teams enjoyed numerous success. Both teams finished the season with unblemished 7-0 records. The boys' team finished with three of the top five skiers in the league, racing against tough competition from Scituate, B.C. High, St. Sebastions, and Belmont. The girls defeted teams

ond in the Blue Hills Challenge Cup against the top teams in Eastern Mass. The teams race at Blue Hills and Ragged Mountain. Senior members also included Dana Cole, Mike Count, Tyler Huston, Sean Morgan, Tom Murphy, Dave Pessin, M o l l y Prendergast, Carolyn Koelsh, Meghan Schutz, and Rose Van Enst. The team was coached by Ken Corbett, with help from Bede Welford running dry land practices.

## SPRING TRACK

Spring Track is different from other spring sports because the boys' and girls' teams are inseparable. Beginning in freshman year, when both teams rode the same bus to all away games, and we often ran the same practices, our teams have defined themselves with their friendliness and their good sportsmanship. The girls' team began freshman year with coach Mr. Manganello and assistant coach Mrs. Kirby (Crowley), and although Mrs. Kirby resigned, none of us could ever forget her track workouts from hell! When Mr. Buscinski (Coach Buzz) took over Mrs. Kirby's assistant coaching position, he quickly became a respected coach, running out to Turkey Hill with us right after the marathon. The girls excelled during the regular season, sending many girls from our class to the state meet over our 4 years. Meghan Fortin in High Jump, Heather Mendes in the 200m, Michelle Coughlin in the Hurdles and Elise MacVarish in the 400m.

The Boys' Track Team lost a spectacular coach in Mr. Steve Hermann as sophmores, but Mr. Brian Chamberlain has worked hard to fill his shoes, certainly aided by captains Jeff Born, Steve Daly, James Diorio and Evan Lindquist. The boys also ran 4 excellent seasons. Jeff Born competed at states in several events, Jamie Diorio in the 800m, Steve Daly in the 200m, Brendan Gallagher in the Hurdles, and Evan in the 200m. Who could forget: Plyometrics; Ultimate Frisbee, Double Hills; Frosh/Soph meets; the Batons; Shot Put relay team; "Chumma"; Sweat, Unity and Pain; Group Stretching; Taking out the equipment; bounding across the football field;

or track workouts during lacrosse games? Events: 100m, 200m, 400m, 800m, 1 mile, 2 mile, 4x100m relay, Discus, Shot Put, Javelin, High Jump, Long Jump, Triple Jump, 100m High Hurdles (110m - Boys), 300m Intermediate Hurdles.

## GIRLS' TENNIS

Varsity Girls' Tennis had a great season this year! Our new coach Deb Boles added great spirit and excitement to the team. Jillian Marcus and Molly Prendergast were enthusiastic captains and with the help of returning seniors Leah Amrhein, Lauren Seroll, and Hilary Hurst, made this year a fun one! We will never forget our red spandex, psyche buddies,

our team sleepover, spaghetti suppers, Twizzlers, playing in the rain (yeah right — this is tennis!), and our longstanding, fierce rivalry against Duxbury. We were very successful in both the State and Individual tournaments and finished the season with a winning record. Good luck next year!

## BOYS' TENNIS

The Hingham High School Boys' Tennis team has had great success over the last couple of years. It has qualified for the tournament each year and enjoyed winning records with the help of Coach Ron Bartells. With much of the team remaining this year, we hope to advance farther in the

tournament than in recent years. We also hope to expand upon our League Championship last year and win the Patriot League for the second year in a row. Thanks to Coach Bartells, the tennis team has enjoyed many years of fun and success.

# SOFTBALL

Losing a coach is hard, but as this year's Hingham High School Softball Team found out, replacing a coach as kind and caring as Skip Mortimer is even harder. In the 1999 season, the varsity team did an excellent job in the field and at the plate. This year, Captain Jill Sakolove and seniors Christy Bell and Alexis Baker will lead the team in their efforts to make it to the play-offs. Together this team has built many memories that will last a lifetime : "All that jazz!", Halloween homerun derby! Making the video! Spaghetti dinners! "Give it to me, baby!" As they leave Hingham High School, they would like to wish past, present, and future softball team members good luck in college and in the future. Thanks to retired Coach Skip Mortimer for the excellent coaching over the years, which has made this team what it is.

# BASEBALL

Hingham High Baseball began their first year under new head coach Dan McHugh in 1999. Their record under the enthusiastic coach was 13-6 and included a big win in the first round of the state tournament against Diman Tech and a tight game versus the State Finalists from Dedham. The 2000 team, captained by Jim Battista, included the following

seniors: Brendan Donlan, Jim

Christino, Matt Fallon, Tim Jones, Sean Marshall, Tom Griffin, and Gus

Peterson. Highlights included the Bus Rides, "the car was booving", Let's play some scrub, okaaaaay. Whats up Team-mates!! Franky N showin us how its done..haha.....The team would like to thank everyone who made the season the best it could possibly be. Good Luck guys,

# GIRLS' LACROSSE

The Girls' Lacrosse Team enjoyed another tremendous success during the 2000 season. The 1999 season as juniors was a record-breaking one under Coaches Heather Williams and Cory Ford. They entered the tournament with a number one seating in Eastern Massachusetts and proved they deserved that coveted rank by making it all the way to the EMass finals. The team was led by Sara Durgin, Brady Garrity, Kerrie Lenhart and Hilleary Smith and seniors Casey Fitzmaurice, Lindsey Klier, Stacy Ward, Elizabeth Spatola, Melissa Schneiderhan, Andrea Hutcheson, Sarah Connearney, and Laura Daubenspeck. We never stopped laughing and enjoyed every minute of playing together. Even practices were fun, despite Lindsey's constant worrying about how much longer Heather could possibly keep us on the field! # BOYS' LACROSSE

In 1999, the Hingham Boys' Lacrosse Team had a very successful season, its most sucessful since 1996. Hingham finished with a record of 13-5, good enough to be seeded fifth in the Eastern Massachusetts tournament. The season highlights included multiple wins over long time rivals Duxbury and Weymouth. The second win advanced Hingham to the quarterfinal round of the tournament, where the Harbormen bowed out to league rival Falmouth. Off-field highlights include Joe Griffin's barbecue, D-night at the Lynchs', and a team barbecue at the Kiernans'. Coach John Todd's Harbormen, led by captains

Ned Hare and Sean Morgan, expect continued success in the year 2000. The defense unit is to be led by returning seniors Ned Hare, a 1999 all scholastic selection, Tom Garland, Mike Costello, and Justin Lynch. The attack, led by seniors Adam Vickers and Mike MacMaster, should prove to be a high scoring unit. The midfield is led by returning seniors Ted Flynn, Sean Morgan, and Kevin Foley. In the words of Ned Hare, "We win games... Our defense is stellah; our offense is A-OK." Hingham, according to Weymouth coach Tony Manzelli, has grown to become one of the most dominant teams of the 1990's in Massachusetts lacrosse.

# GOLF

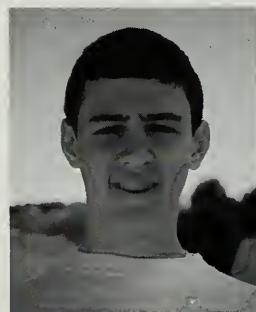

The Spring 2000 Golf Team should be very strong, graduating only one senior from 1999. Seniors Kevin Hammond (captain), Brian Miller, Thomas Murphy, and Eric Murphy should lead the team to another strong year. In 1999 the Golf Team went undefeated 12-0 in the Patriot League. The Team had three league allstars in 1999: Kevin Hammond, and Juniors Will Dewalstoff and Joe Pustizzi. In the '98 and '99 sea-

sons the Golf Team has had State Tournament appearances as well. The Golf Team was in the Atlantic Coast League for the '97 and '98 seasons but switched into the Patriot League for the '99 and '00 seasons. # ACTIVITIES

## AFS

The officers of the '99-'00 AFS Club: president Ana Dubrovsky, vice-presidents Taylor Kirby-Madden and Katie Engels, treasurer Megg Fortin, and secretaries Sarah Hill, Rachel Szyman and Abby Randall

The AFS club, one of the largest in the school, has had an amazing four years with the class of 2000. Together we've traveled to Washington DC, California, North Carolina, and Wisconsin. A few members of our class have gone abroad with AFS, including Jillian Sakolove, who traveled to Chile, Steve Smith, who spent time in Italy, and Taylor Kirby-Madden, who visited Holland, among others. This year, Julia Stuchi was able to join our class from Brazil. With our annual calendar sale, leaf rake, dance-a-thon, and meetings, we've been awfully busy! This year, many of our club's leaders were seniors, like Ana Dubrovsky, Taylor Kirby-Madden, Katie Engels, Sarah Hill, Megg Fortin and Jillian Sakolove. Thanks to their leadership and advisor Ms. Gillard's help, we had an extremely fun and successful year.

## VOLUNTEER CLUB

Leah, Liz, Matt and Lauren: the Officers

The Volunteer Club has continued its success this year. Our weekly visits to Cohasset Knoll to play bingo with the men and women was a great way to cheer up the lives of many senior citizens. Co-presidents Liz and Matt, and secretaries Lauren, Colleen and Amanda made this year a great success, along with many devoted members. We'd like to thank our friends at Cohasset Knoll, especially Joe, Foster, Josephine, and Mary (oh no!!) "Baaa". Thanks also to Mrs. Flaherty and Pipin for devoting their time to help us... help.

## PEER GROUP

As juniors, 25 members of our class were part of the Peer Group. We met every other day as a class, and participated in activities outside of class, too. In pairs, we were assigned to both fifth and eighth grade classes. We planned specific lessons for each day that included games, acts, and stories. We discussed things like drugs, alcohol, and bullies, as well as coming to the junior high and the high school. Thanks to everyone who helped!

## MATH TEAM

The '99-'00 Math Team (below left). Math Team Captains Sean Morgan and Casey Fitzmaurice (below right).

The 1999-2000 Math Team had a great year. Led by captains Casey Fitzmaurice and Sean Morgan, the team competed in five statewide competitions. Hingham is a member of the Greater Boston Math League South Shore Division, which includes the surrounding Weymouth, Abington, Braintree, Brockton, and Rockland High Schools. The teams compete against each other in rounds answering three written questions in ten minutes. Hingham's big scorer this year was none other than Abby Goodhue -- what a surprise! Good luck to next year's team with captains Victoria Riley and Amy Driscoll and thanks so much to the great coaches Mr. Baisden and Mr. Olson.

## ACADEMIC DECATHALON

Middle School's Ms. Roberts. Sean and Jill captained the squad to an impressive showing at the meet. We had a fun season, ate a lot of pizza and represented Hingham well.

## HARBORLIGHT

The Harborlight is Hingham High's monthly newspaper. It is produced by student volunteers who have such journalistic interests as writing, photography, computer design, and printing. The primary goal of the Harborlight is to report the news that matters most to the student body, while reflecting the diversity of people at HHS. We focus primarily on school events and local news, and occasionally feature state, national, and world news that impacts our lives. Each edition features an editorial reflecting the opinions of a student on our society and culture. Thanks to our advisor, Mrs. Rehnquist, and the editors Marissa, Mike Vicky and Steve.

## LITERARY MAGAZINE

The literary magazine, "Outer Limits", allows Hingham High School students and faculty to explore creative talents, through poetry, short stories, essays, and artwork. The staff of the "Outer Limits", including editors Carolyne Whalen and Nicole Buccitelli, successfully produced a wonderful publication, with many thanks to the group's advisor, Mrs. Fennelly.

## S.A.D.D.

Students Against Drunk Driving is an organization of students who are concerned with Drunk Driving in Hingham. We begin the school year by distributing a contract to the student body against drunk driving. Other important events of the year include SADD Awareness Day, fundraising, and hosting a drunk driving speaker. Senior officers include Presidents Michael Hines and Marissa Bethoney, and Vice President Amy Pugliesi. Thanks to our advisor Ms. Pfieffer. Good luck in the future, and don't forget: "Think before you drink."

## NATIONAL HONOR SOCIETY

The National Honor Society is a service organization. The highlight of our year is the candle-light induction ceremony in December, and it was extremely successful this year. Guest speaker Ms. Leone delivered her speech on the "hardships" of being a math teacher; she was phenomenal. Our dinner meetings were a good opportunity to socialize while getting some work done and eating some great food, supplied by all the members. Led by president Abby Goodhue, vice-president Jamie Diorio, secretary Jill Rowley, and treasurer Mike Hines, the National Honor Society did some wonderful things this year, including weekly visits to the food pantry and town elections in the spring. Thanks to our advisor Ms. Perelman for a great year!

## BIOLOGY CLUB

The biology club had a lot of fun this year, led by the advisor Mrs. Duffy. Seniors, including Brendan Gallagher, Marissa Bethoney, Abby Goodhue, Matt McLaughlin, Vicky Harrington and Mike Hines, along with the aid of underclassmen, helped to make this year a success, helping to establish the new biology classrooms.

The club eventually was able to reach the greenhouse amidst the construction. Thanks to everyone for a great year, and good luck to future members!

## S.E.A.

Students for Environmental Action keep busy every year doing our part to help the environment. Our central activity is the weekly recycling of all the bottles and cans from the bins in the cafeteria. Each week, we've helped our school to recycle about 60 pounds of cans and bottles. Among our other contributions are the donations to a local charity to

benefit the environment, the local beach clean-up program in the spring, and the spring trip to Purgatory Chasm State Reservation. Thanks to our advisor Mr. Garland and good luck to next year's club.

## SNOWBOARDING CLUB

This past winter was a wicked good time for the members of the Snowboard Club. After Patrick Lenhart and Craig McViney got the club up and running again, we were carving up mountains all over the Northeast. We had a blast at Waterville Valley tearing up the boneyard. Thanks to the seniors and our advisor, Mrs. Krall, the Snowboard Club had a great season. Good luck to next year's club!

# FRENCH CLUB

La Boum anyone? This year the French Club was much more than weeknight movies. We also took trips into Boston to see French movies, museums, and unbelievable French restaurants. In the spring of 1999 we took a fascinating trip to France, starting in Paris and travelling all throughout the country and leaving our mark wherever we went. From Le Louvre, La Tour Eiffel, Nice, and giraffes, we experienced the true French life. Merci beaucoup Madame for all the fun times!

This year, the Latin Club has held monthly meetings at which we plan for our larger events, like the Halloween Party, Saturnalia, the Ides of March, and the annual end-of-the-year cookout. So far, there has been great participation from over thirty members, and the club is still growing, thanks to presidents Cavi Freeland, Monet MacGillivray, treasurer Amy Driscoll and treasurer Kelly Murray. A special thanks to Mr. Ryan. DON'T YOU WISH YOU JOINED?

## SPANISH CLUB

Lo bueno viene en fracaso chico. Though our club was small this year, we enjoyed numerous activities. We had fun this year with lots of fundraisers, a Spanish Flamenco show in Boston, a Cinco de Mayo dinner, Taco/Movie nights and the Holiday party. The trip to Spain was an incredible experience. There was great leadership this year, thanks to co-presidents Jill Sakolove and Veronica Herman, PR secretary Abby Goodhue, secretary Karen Grant, and treasurer Andrea Landers. Thanks also to our advisor, Mr. Mulry. We are glad to have many memories to take with us when we leave HHS.

## SAILING TEAM

Although the 1999 Spring Sailing Season was not the most successful for the Hingham High School team, the sailors were provided with a great opportunity to improve their skills. The team's new coach, Ken Corbett, brought enthusiasm and provided further insight into the technical aspects of the sport. Having graduated four strong seniors at the end of the previous year, the 1999 season was dedicated primarily to rebuilding the team. Numerous team members participated in non-league events, which allowed them opportunities to improve their skills. Tim Corbett and Casey Cartwright placed second at the High School Sail-Offs at MIT, and Kristen Kehoe, Nancy White, and Lindsay Blampied took part in the

women's double-handed regatta at Tabor Academy. Cocaptain Jordan Smith took first place in the Junior Fleet of the Underclass Regatta at CBI. The team should see success in the 2000 season, as their 1999 efforts pay off. The team, led by cocaptains Senior Jordan Smith and Junior Lindsay Blampied, plans to continue sailing in the Mass Bay League. Members of the team also plan to participate in a weekend regatta in

Montreal, the US Byte Nationals in New Jersey, the Connecticut Open, and the Glykman Fun Festival. With the strong team, including seniors Mike Count, Stephen Smith, and Jordan Smith, Hingham should dominate the Mass Bay League and prove a force to be reckoned with.

Co-Captains Jordan and Lindsey

## INTERGENERATIONAL

Another successful year for the Intergenerational Club! We are proud to say that in the past four years, our club has flourished, making a wonderful difference in the community. This year, led by president Jillian Sakolove, we started off with our annual conference where we discussed topics such as violence, past times, and technology

today. We

have

Thanks to all of the senior members, including Colleen Connelly, Matthew McLaughlin, Sara

Thanks also to all of the community members involved, and a special thanks to our advisor, Mr. Kirkaldy. This year, we dedicated this project to our dear friend, Adelaide

The dedicated members of the 1999-2000 Intergenerational Club

Gaertner whom we will keep in our hearts forever. Good luck to all of our club members in the future years! Keep your memories!

## DEBATE TEAM

1999 was a great year for the HHS Debate Team, as we successfully ran four in-house debates, arguing such topics as socialism versus capitalism, and the limits of U.S. Foreign policy in the world. Team members include our senior president Molly Prendergast, senior "Maverick" Mark Boddie, junior Kristen

Thane, sophomores Kathleen Keif, Surekha Gajria, Andy Vilaine, Pat McCone, Nicole Buccitelli, and freshman Nadine Bockye. Mrs. Annemarie Fennelly advised the team and also served as the judge of all our debates. Thanks to everybody for a great year, and good luck to everyone next year!

Molly Prendergast, Debate Team President

# MEDIA

## WHHS

Though Channel One took back their TV's this year, WHHS did not rest. If they couldn't be creative with TV clips, they were creative with music for morning announcements. Thanks to this dedicated group, including seniors: Marissa, Mike, Steve, Liz, Kim, Sara, Casey, Kerrie, Jill, Matt, Abby, Dave, Eric and Elizabeth. HHS had their news each morning and entertainment as well. A special thanks goes to Mr. Thaxter for his great direction.

## Senior Video

Thanks to the technological skills of all who helped produce the senior video, the class of 2000 will have nostalgic memorabilia for the rest of our lives. Each spent hours putting the video together, and their hard work paid off.

## Film Club

The Film Club, including seniors Megg Fortin and Jeff Born, is a group which focuses on watching and discussing various films. It was started last year by a group of sophomores, interested in media and film.

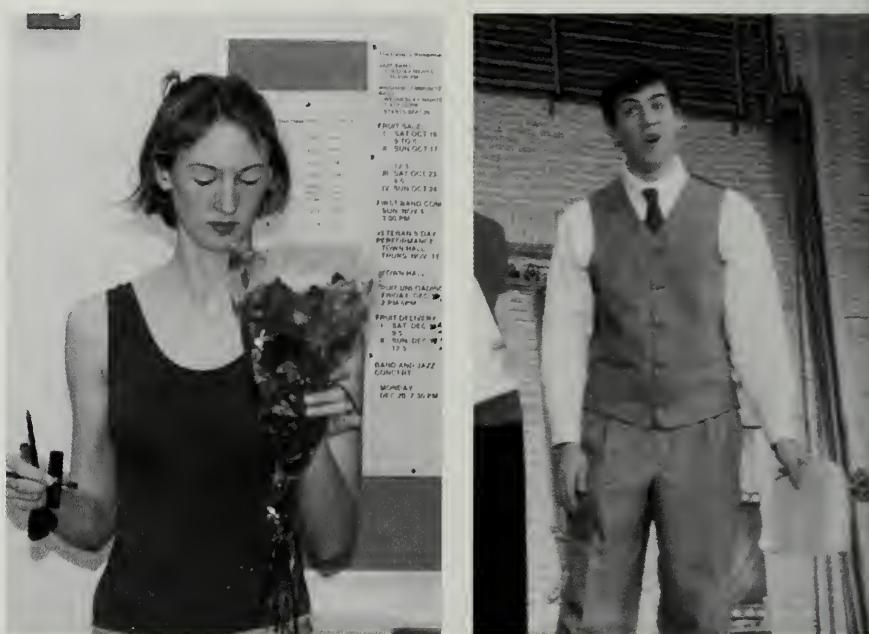

A special thanks to Mr. Thaxter, who heads much of the media activities at HHS.

# DRAMA

The Drama Club had a wicked sweet year. Led by co-presidents James "The Rifleman" Diorio and Chris "Don't touch his assets" Wessen, along with Treasurer Hilary "Show me the money" Hurst and Abby "She's the word" Bird, the Drama Club put on one of its best performances in recent memory, 42nd Street. Under the direction of the club's advisor, Mr. John Higgins, 42nd Street was hailed by critics as "Number One for Family Fun." Some of the club's memories from the musical include the Halloween bottle and can drive and learning to strut and limbo. But the Drama Club was not quite finished. The club gave a stellar performance of the powerful one-act play, "Bang, Bang, You're Dead", which was not only shown to the entire student body, but was entered into the Massachusetts High School Drama Festival where it did very well. With the guidance of Director Mrs. Anita Levy-Sisk, the club was able to complete this current and moving play about high school shootings. But the Drama Club went further, putting on classroom one-acts and starting its own improvisational troupe. To culminate the club's accomplishments, they attended their annual trip to New York City where they saw "Ms. Saigon", "Jekyll and Hyde" and "The Fantastics". To finish it off, the Drama Club celebrated its first year with a new auditorium on its annual Thespian night. Good luck to future members and carry on the traditions!

# BAND

'99-'00 Band Officers:

Gus Peterson, Chris Hren, Jill Rowley, and Sean Sullivan

Andrew Brady, John Graham, Ben Hardy, and Colin Toomey practice for their performance during the Homecoming Pep Rally (left).

Hingham High School's band, an extremely talented group, has had a wonderful four years. Seniors have been instrumental in developing the band's unique character. Kids like Sean Sullivan and Jill Rowley have taken on leadership roles, while others such as Eric Murphy and Gus Peterson have given the band its confidence. The music program and Mr. Wauchope, have meant a great deal to many people. Its members, including seniors Tony Sestito, Beth O'Leary, Mike Hines, Eric Murphy, Jill Rowley, Chris Hren, Sean Sullivan, Gus Peterson and Veronica Herman will surely miss the friendships formed and the harmony they created. Good luck to everyone!

## JAZZ BAND

Two factors define the band and make it what it is: the conductor and the students. Mr. Wauchope, our conductor, has worked incredibly hard during the seniors' four years of high school. Despite having to conduct both the Foster and Middle School bands, he has remained dedicated to promoting excellence in the band and has always made himself available for extra help or advice. For the past four years Mr. Wauchope has not only been a great teacher, but a good friend. The jazz band, an outstanding section of the high school music program, also owes its

success to senior talent. This year the jazz band, almost entirely made up of seniors, has taken off. Under the leadership of kids like Andrew Brady, John Graham and Nick Accomando, it has improved immensely from the fall of our freshman year. Thanks to senior members Jordan Smith, John Graham, Andrew Brady, Nick Accomando, Sean Sullivan, Eric Murphy, Chris Hren, Jill Rowley, Gus Peterson, Tony Sestito, and Vicky Lincoln, the band has brought a sense of comraderie and enjoyment. Good luck to all in experiencing new groups, ideas and people.

Keith: Working hard, or hardly working?

## ORCHESTRA

As Freshmen, we trekked outside to the old room, seeing the one familiar face from Middle School, Mrs. Hallett. As sophomores, we became more comfortable with the routine. Junior year, we all had to accept Ms. Hanley. Now, as seniors, we have a new room and Mrs. Hallett has returned. We have completed our last All-Town Concert and we will never again have to sell fruit door to door. Who could ever forget playing in

quartets outside of Marshall's or getting drenched at the bottle and can drive '98?

# CHORUS

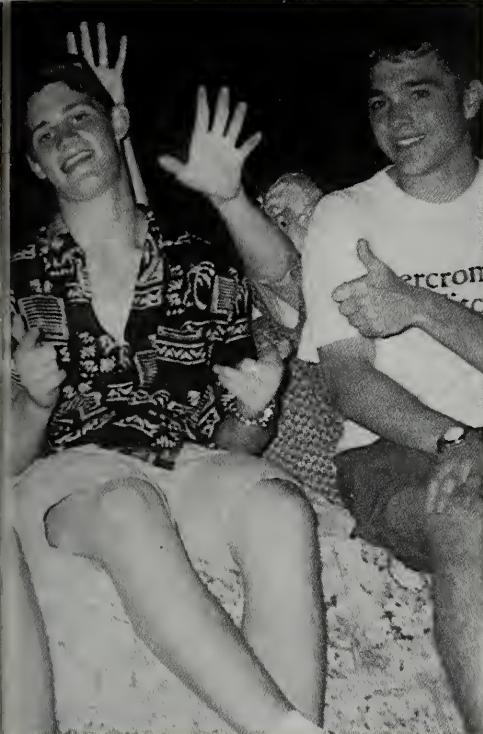

Members of Choral Spectrum

The Hingham High School Mixed Chorus, aside from being musically successful, has had a lot of fun. Under the direction of Dr. Paul Cappers, the chorus has achieved the completion of some very difficult pieces, including Handel's Messiah, Carl Orff's Carmina Burana, Beethoven's Mass In C, and this year's pieces, Leonard Bernstein's Chichester Psalms and John Rutter's Gloria. The chorus, has over one hundred members, including over twenty members of the graduating 2000 class. We've performed in such places as Connecticut, Quebec, Montreal, and of course, Disney World. All of us, especially the seniors, have created friendships that extend beyond our music. We hope that our songs will be passed on for years to come, and our good times always remembered.

## STUDENT COUNCIL

This year has created quite a change in the way Student Council is run. We accomplished a tremendous amount, thanks to the officers Elizabeth Spatola, Sara Durgin, Kerrie Lenhart and Kim Bonner. The Homecoming Pep Rally was our first success as the '99-'00 Student Council. Members came together and had a fun and spirit-filled outdoor pep rally with a band. From that point on, the Student Council picked up and has been very active in all aspects of school and community life. We took part in the Walk For Breast Cancer, Thanksgiving baking for Fr. Bill's Place, caroling at

the Harbor House, and Christmas in the City. There were wonderful decorations for Thanksgiving and Powder Puff, as well as for "42nd Street". We had several successful fundraisers. Everyone enjoyed the two SEMASC field trips and learned a lot from the other councils. The lock-in and MASC were great student council experiences which increased our spirit and ideas within our own government. This year's Student Council has been extremely productive and a lot of fun! Thank you to everyone, especially our advisor, Ms. Breen, who worked so hard to make it a success!

# AMNESTY INTERNATIONAL

Amnesty International is an organization committed to fighting for people's rights around the globe. Amnesty's advisor, Mr. Swett, assisted in helping the group organize letters written on behalf of victims of injustice. Amnesty members are against the death penalty and many other forms of human rights violations. This organization, rather than focusing in on one group or country, fights for everyone's benefit. Together, President Ned Hare, Vice President Kevin Foley, Secretary Abby Bird and all the members make the club a meaningful and enjoyable one. Ned and Kevin work extremely hard to keep things organized and fun, and Abby usually just tells Ned and Kevin what they should be doing. Although the meetings are sporadic, the food is good and the club is dedicated to its cause. Thanks to Mr. Swett for everything, and good luck to all of our members!!!
